

Flexible case packer

Patent number:

EM700000002574335-0001

EM700000002574335-0002

Products format:

Length	Case studio
Width	Case studio
Height	Case studio

Boxes format:

Length	20-580 mm
Width	140-265 mm
Height (Box Opened)	50-235 mm

Performance:

Cycles per minute up to (ISO Path)	200/min
------------------------------------	---------

Utility specifications:

Power Consumption	8 KW
Power supply	380 V+N
Frequency	50/60 Hz
Pressure	6 Bar

Dimensions:

Length	4.200-4.350 mm
Width	2.000 mm
Height	2.450-2700 mm
Weight	1800 Kg

Special features:

- Mechanical parts design for cleaning room.
- Stainless steel material.
- Easy access to mechanical parts.
- Automatic Visual inspection data acquirement.
- Fast changeover (1 minute)
- Tele assistance gateway included.
- Patented.
